

**Statement of Lizamarie Mohammed**  
**Candidate for Steering Committee**  
**Estates, Trusts, and Probate Law Community**

I am eager to serve on the Estates, Trusts, and Probate Law Community Steering Committee to support our members' professional growth while ensuring our community remains at the forefront of legislative and regulatory developments. As a policy wonk with a decade of experience and a newly minted trusts and estates practitioner, I understand the importance of supporting fellow T&E attorneys in offering excellent services and advancing policy at the District, state, and federal levels.

If elected, I will work to develop timely, high-impact programs, support mentorship and networking opportunities, and strengthen outreach efforts. I am also committed to engaging with legislative and regulatory changes that affect our practice, ensuring our community is informed and empowered. By fostering collaboration and leveraging diverse perspectives, we can create a more connected, knowledgeable, and influential legal community. I would be honored to serve in this role and appreciate your support and your vote!
